

Kindergarten

**PATTERN
RECOGNITION**

THREE DAYS OF LESSONS

Day 1

- Introduction pattern recognition through use of a calendar chart during a morning meeting discussion.

Day 2

- Continue practicing “what comes next” with the use of a calendar chart. Reiterate the idea of pattern recognition. Students will create their own patterns.

Day 3

- Students will identify patterns in a story, then create another pattern on their own.

MORNING MEETING CALENDAR CHART

September 2023

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						
				7	8	9
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30

FIRST ART PROJECT

Day 3 read aloud

Day 3 Art project.

OUR CT PLAN

August - October

Teach our students pattern recognition!

November - January

Teach students decomposition!

February - March

Teach our students algorithms!

April - June

Teach our students abstraction!
