

Pete the Cat Freebie

Created by Michelle @ Inspiredbykindergarten.blogspot.com

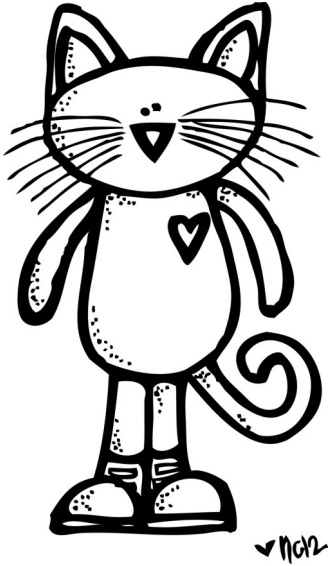

In this freebie:

*First Day Certificate

*Tour of the school Pete the Cat Activity: we read the book Pete the Cat Rocking in My School Shoes and Pete leaves us a message at the end of the book telling us he's checking out our "cool school." He invites us to come find him and the hunt/tour begins! I've included the cards I place around my school and some blank cards so you can create your own tour. I can't offer an editable version of the tour because of copyright rules. You will have to either hand write your own notes or type them up and cut/glue to create your own cards.

*When we get back after our tour we find that Pete the cat has gone home but inside the class he's left us a special activity. The Activity is a coloring page for the kids to complete. Hint: if you let the kids use their watercolors on these the first day of school they will think you are the BEST teacher ever!

Dear Girls and Boys,

I am so glad you read my book! It can be scary to go someplace new for the first time. The best thing to do is put on your school shoes and start walking because....it's all good! I'm checking out your cool school right now. I put on my singing shoes and went to visit the music teacher first because I LOVE music. Maybe I'll see you there!

Love,
Pete the Cat

YAY!! You found the music room!
So did I! You'll do lots of singing
and dancing in this room! I didn't
see you here, but did I worry?
Goodness no! There's still so
much to see! I put on my eating
shoes and went to visit the
lunchroom. Maybe I'll see you
there!

Love,
Pete the Cat

Great job! You found the lunch
room. They make super yummy
food here! Make sure to always be
polite and say "please" and "thank
you" to these nice ladies! I still
didn't see you, but did I worry?
Goodness no! I put on my walking
shoes and went to look at your
gym. Maybe I'll see you there!

Pete the Cat

WOW! You found the Gym! You are FAST! The gym is going to be super fun! The teacher said you weren't here either, but did I worry? Goodness no! I went to find the office and the nurse. It's good to know where to go when you need a band aid! Maybe I'll see you there!

This is the office! In this room our secretary and principal work hard to help kids. It's also where the nurse's office is. She helps people who get hurt or don't feel well. Everyone in here is super nice! Still didn't see you though, but did I worry? Goodness no! I put on my painting shoes and went to find the art room. Maybe I'll see you there!

Love,

You found the art room! I painted a little bit but you didn't find me. Did I worry? Goodness no! I put on my reading shoes and walked to the library to see if they have any Pete the Cat books! In a library you have to be super quiet so put on your reading shoes and tip toe to the library. Shhhhh...(whisper) maybe I'll see you there.

Love,

Pete the Cat
